

NWA EmComm NET Control Script

Five minutes prior to the net announce the following:

This is (Say Your Call phonetically) example: KILO CHARLIE 7 DELTA QUEBEC YANKEE

The NWA EmComm Wide Area 2m 70cm net will begin in 5 minutes.

We would appreciate clear frequencies at that time, (Say Your Call phonetically) standing by

START THE NET:

QST, QST, QST, NWA EmComm

This is (Say Your Call ex:KC7DQY, Kilo Charlie 7 Delta Quebec Yankee) on the BCRO REPEATERS, My name is (Say Your Name) in (Say Your City), Net Control station for the NWA EmComm NET.

NWA EmComm stands for the Northwest Arkansas Emergency Communications Group. The purpose of this net is to practice emergency communications. You can learn more from the NWAEMCOMM.COM web site.

This is a directed net, so please stand by. This is Net Control Operator, (Say Your Call ex:KC7DQY, Kilo Charlie 7 Delta Quebec Yankee)

During this net, if any station calls EMERGENCY or PRIORITY, all other stations STANDBY. Do we have any stations with EMERGENCY or PRIORITY traffic . . . If so, come now!

-break-

When you check in, Please give slowly, your call sign phonetically, name, location.

At this time I will take check-ins.

This is (Say Your Call ex:KC7DQY) I have received the following check-ins. (Say the List)

Please come now with any additional check-ins or relays.

This is (Say Your Call ex:KC7DQY) I have received the following additional check-ins. (Say the List)

Are there any other check-ins or relays before we close the net.

Thank you for participating in the NWA EmComm NET which is held on Mondays at 8 pm central time on the NWA Wide Area Net.

I am turning the network back to normal operations.

This is (Say Your Call ex:KC7DQY) saying 73
