There was considerable discussion by the group concerning potential upheaval that is feared, and speculation as to what might occur in the coming months and years under the new presidential administration.

Maddox asked if the County EOC offices were still closed because of the Covid-19 situation. No one had any information concerning the question.

The group discussed how to proceed with contacting town officials regarding Em Comm assisting in emergency communications. Gravette in particular was discussed, and it was decided to table the contact schedule for the time being because of the uncertainty of the situation because of Covid-19.

Being no futher business, the meeting was adjourned at 8:25 PM.
