

**MINUTES
NWA EM COMM VIDEO CONFERENCE ON JITSI
FEBRUARY 22, 2021**

Board members taking part were;

**Paul Blomgren
John Henley, JR.
Mark Maddox
Gregg Doty
Harold Sobotka**

The meeting was opened at 7:08 PM by John.

Minutes from the previous meeting of February 8, 2021 were approved by the group.

The group discussed the possibility of linking some of the area repeaters together.

Ham In The Park for February 27th was discussed. It was decided that the net control station will be at Harold's station, and it will be operated by Gregg and Harold. This will allow Paul and Mark to take part in the activities in the field. The west side of the region will be worked February 27th, and the east side of the region will be worked the following month.

The group discussed summer field day activities. EM COMM and BCRO will join together for the field day activity which is planned for the Winslow area. John and Paul discussed visiting the sight in advance of the event, and discussed other activities planned for the day.

The group discussed the monthly luncheon meeting which will be held at the Rogers Golden Coral on Saturday February 27th.

Being no further business, the meeting was adjourned at 7:33 PM.

**Respectfully submitted by
Harold Sobotka, secretary**
